## At what type of merchants can I use my card?

You may use your Lennox Visa Prepaid Card at any physical merchant locations, online, over the phone, and for mailed payments. Many online merchants perform address, ZIP code, and/or name verification. If your current personal information is not associated with the card, you may update your profile at the website listed on the back of your card.

## Where can I use my card?

Use your Visa Prepaid Card anywhere Visa debit is accepted in the U.S. Please note that some merchants may choose not to accept foreign currency at their own discretion. If this occurs, pay for your purchase with another form of payment and use your card at a different merchant.

## Do the funds on my card expire?

The Lennox Visa Prepaid Card has an expiration date of 12 months from the date of issue.

## How do I check my balance without being charged a fee?

Your card balance may be checked for free by logging on to [PrepaidCardStatus.com](http://PrepaidCardStatus.com) or by calling 1.866.230.3890.

## Can I get cash from an ATM or bank?

You cannot use your card at an ATM or bank to receive cash. The Lennox Visa Prepaid Card can be used for any transaction or purchase that you would normally make using cash. The largest card-usage categories currently include shopping, food and dining, travel, utilities, and entertainment.

## Can my card be used for "pay at the pump" gasoline transactions?

Present your card to an attendant inside the gas station. Your card will not work if you try to pay at the pump.

## What should I do if my card is lost or stolen?

Report a compromised card by calling cardholder services at 1.866.230.3809. Your card will be closed and blocked from future purchases. We will reissue you a new card for the unused balance less the card reissue fee.

## How do I purchase an item that costs more than the balance on my card?

If your purchase is more than your card balance, first pay the difference with another form of payment, then charge up to the amount of funds available on your Lennox Visa Prepaid Card. Not all merchants accept split transactions.

## Where can I see my transaction history and check my balance?

You can view your transactions and check your balance by visiting the website listed on the back of your card or by calling 1.866.230.3809. Live agents are available 24 hours a day, 7 days a week. You will be able to access your transaction history online and print statements.

## I returned an item purchased with my card. When will the credit be reflected on my account?

Even after the balance is depleted, you should keep your card until you know that you will not be returning any of the items purchased with the card. If you do try to return items, the store's policy may require you to present the card used to make the purchase. You should destroy the card once you are sure you no longer need it. Allow five to ten business days for returns to post to your card account.

## Can my card ever have a negative balance?

Any authorization request that is greater than your card's available balance will be declined; however, there may be times when a merchant completes a transaction without prior authorization. If an overdraft occurs, you will be required to make a payment to cardholder services to cover the negative amount. Payments should be sent to:

Cardholder Services  
P.O. Box 5109  
Buffalo Grove, IL 60089

## What are the fees associated with using the card?

Please see the Cardholder Agreement for any fees associated with the card. The Cardholder Agreement can be found on the back of your card carrier or at [PrepaidCardStatus.com](http://PrepaidCardStatus.com).
